1. Go to settings on the Iphone
2. Scroll down until you find the DUO Mobile App.
3. Click on duo Mobile and you will see:
    a. 
4. Click on the **Notifications** Option and you will see:
    a. 
5. At the top you will see "Allow Notifications"
    a. Toggle this off and back on.
6. Go back to your home screen and restart your Iphone.
7. You should now have notifications coming from DUO.
