

# Setting Up Your Home Devices for Boxtop

07/08/2025 5:04 pm EDT

Whether you're working from home or on the go, here's how to set up Boxtop on your devices.

---

## Option 1: Install Boxtop on a Windows or Mac Computer

**Best for:** If you plan to use Boxtop often on your computer.

### How to install:

1. Open your browser and go to:  
`{yourdomain}.goboxtop.com`  
(Replace `{yourdomain}` with what comes after the `@` in your email. For example, if your email is `tabush.goboxtop.com`.)
  2. Click "Install Omnissa Horizon Client."
  3. On the next page, click "Go to downloads" under the version for your computer:
    - a. Windows or Mac.
  4. Click "Download Now."
  5. Once the file is downloaded, open it to start installing.
  6. Accept the default options and complete the installation.
  7. Open the **Omnissa Horizon Client** (you'll likely see an icon on your desktop).
  8. The first time you open it, enter your **Server Name: {yourdomain}.goboxtop.com**
  9. Log in with your username and password.
- 

## Option 2: Use Boxtop in Your Web Browser

**Best for:** Quick access without installing anything.

### How to access:

1. Go to `{yourdomain}.goboxtop.com`
2. Click "HTML Access."

3. Enter your username and password.
- 

## Option 3: Use Boxtop on iPhone, iPad, Android, or Chromebook

 **Best for:** Access from your mobile device or tablet.

### How to install:

1. Open your device's app store and search for:  
"Omnissa Horizon Client."
2. Install the app.
3. When asked for the **Server Name**, enter: `{yourdomain}.goboxtop.com`
4. Log in with your **username and password**.
